La Salle Building, 1034 Connecticut Avenue

Dear Mr. Ullman:

Dr. Carl Stroven wrote you in December 1945 with reference to the possibility of the University of Hawaii Library receiving JANIS when and if they are declassified.

A member of our faculty who is very much interested in this material, has asked us to again inquire as to the status of these documents.

Any information you can give us will be very much appreciated.

Sincerely yours,

Euphie Shields
